APPLICANT FOR EMPLOYMENT

AFFIDAVIT

I hereby authorize the potential employer to contact, obtain, and verify the accuracy of information contained in this application/resume from all previous employers, educational institutions, and references. I also hereby release from liability the potential employer and its representatives for seeking, gathering, and using such information to make employment decisions and all other persons or organizations for providing such information.

I understand that any misrepresentation or material omission made by me on this application will be sufficient cause for cancellation of this application or immediate termination of employment if I am employed, whenever it may be discovered.

If I am employed, I acknowledge that there is no specified length of employment and that this application does not constitute an agreement or contract for employment. Accordingly, either the employer or I can terminate the relationship at will, with or without cause, at any time, so long as there is no violation of applicable federal or state law.

I understand that it is the policy of this organization not to refuse to hire or otherwise discriminate against a qualified individual with a disability because of that persons need for a reasonable accommodation as required by the ADA.

I also understand that if I am employed, I will be required to provide satisfactory proof of identity and legal work authorization within three days of being hired. Failure to submit such proof within the required time shall result in immediate termination of employment.

I represent and warrant that I have read and fully understand the foregoing, and that I seek employment under these conditions.

I acknowledge that Treske Precision Machining is a drug free employer and testing will be conducted to determine the presence of illegal drugs as a pre-condition of employment. Refusing to take or failing the drug test will result in the job offer being rescinded or employment terminated

I agree to conform to all Treske Precision Machining policies, rules, and procedures.
